To,

All Principals/Prof-in-charge

Munger University, Munger

Subject : Admission in session 2020-22 (Post Graduation).

Sir,

With reference to the subject mentioned above, the undersigned had telephonic discussions with the VC a few days back regarding admission in different subjects of Post Graduation. The VC advised to admit students eligible for admission in Post Graduation according to the Metit List published earlier after carefully verifying the marks sheet and category of the students seeking admission provisionally. Other required certificates and documents may be verified later on after the Corona pandemic comes to an end.

Therefore, you are requested to verify only the Marks sheet and Category of the student at the time of admission, so that students do not face hurdle at the time of admission.

Yours faithfully

  
Dean, Students Welfare *(10.06.2021)*
